INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Dear Sir - please give me
all information you can
concerning the whereabouts
of the fund arising from the
judgement of the Court
of Claims in favor of the
Eastern Cherokee. What I
am interested in this world
I would be pleased to get while
I am living, as it will be

of less importance to me
when I am dead.

Yours truly,

Mrs Jennie Johnson.

P.S.

To the memory of the friend of our tribe.

Long, Long years we've waited for you,
Waited till our brain is racked,
But the Boss who opens the doorway,
Gazes upon you and puts you back.

Men have lived and men have perished
Still the tale so old is told,
You just wait a little longer,
The Boss the purse will hold.

So our tribe is fast departing,
From this world so full of pain,
To a land where stars are brighter,
Never to return again.

Yes, we will do our dear Lord's bidding
Though we will not be alone,
Not far off will be a party who,
Will need time, his work to atone.

Kind Sir - please inform
me concerning more evi-
-dence needed in our
Cherokee claim: If the
evidence we have already
furnished ^{is not sufficient} I don't know
how we are to make an
improvement. Our evidence
had been carefully exam-
-ined and thought to be
sufficient. My father died
when I was a child, and
my mother being an "Indian
hater" told us very little

of them. My father lived
near the Indians, and
would travel among
them with only one of
his little boys, was never
molested by them, he nor
his family. I being only
eight years old when my
father died, I can remem-
ber hearing my father speak
of our Indian relatives.
Since my Mother's death
we have visited some of
our Cherokee relatives in
Oklahoma (then Cherokee Nation).
With what evidence we
have already furnished,
The courts then find we are
not entitled to an honest
part in the Cherokee property.
then I do not want it, for

There is a higher power
to worship, higher than
man or money, we want
only what is justly ours.
You can go back to Lord
Sumner's war and find
Nancy Ward to be a Cherokee
Indian and friendly to
the white people. Though
when it comes to swearing
to who we are and what
we are, is too much for
me to do, My mother kept
us away from the Indians
after my father's death.

Please answer and tell
me what you would like
to find out concerning our
claim.

That I am 55 years of age. I claim my Indian descent through my mother; my father was a white man. My wife is a white woman. I think my mother was about 70 years old when she died. She was born in Bedford Co., Va. She left Bedford Co. and then went to Roanoke Co., Va. where she died. She claimed through her father, ~~my~~ Jonathan James. My grandparents and great grandparents lived and died in that country too. My mother nor her father never lived with the Indians, but her grandfather and great grandfather lived with the Indians. I don't think my great grandfather died before my mother was born. Never heard that any of my ancestors, except my great grandfather, were on the rolls, and it is claimed that he was enrolled but I don't know what roll. I have heard my parents say this. He never received any money or land by reason of his Indian blood. I am recognized as a white man in the community where I live, but I am recognized back east as having some Indian blood. My mother claimed about 1/16, or 1/32. I made application to the Watts Association but never received anything from it. J. M. James is my mother's brother's child.

Sir:-

Replying to your letter of September 5, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at this time whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

Sir:-

In answer to yours of the 8th inst., I beg to advise that a letter was sent to Malinda James Hemsel, of Commerce, Texas, relative to the applications of your people who are claiming through William James. The answer received from Malinda James Hemsel is not very satisfactory, so I am asking you the following questions:

Why were none of your ancestors--that is, your mother, Susan James, your grandfather, Johnathan James, and your great grandfather, William James, ever enrolled with the Eastern or Emigrant Cherokee Indians? *don't know why they were not enrolled*

Where was your full-blood ancestor residing in 1835? *Virginia*

Was your great grandfather, William James, residing in the East in 1835 ~~or in the West?~~ ~~In what year did he move from the East to the West?~~ *Yes in Virginia*

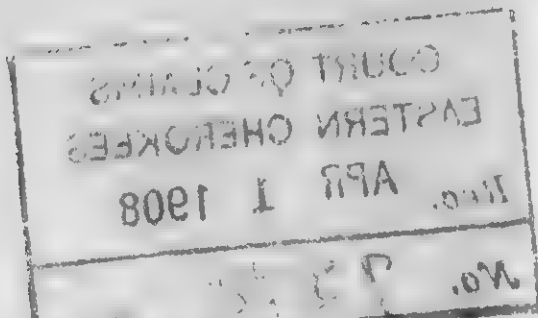

I advise you to get all the records that you claim are held by one James of Bedford City, Virginia, and all the data that you can obtain in this matter, and send same to this office in order to aid us in establishing your claim.

Respectfully,

Madam:-

Relative to your application #7049 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim Indian blood through your great great grandfather, Beniah Williams, will state that the name of Beniah Williams does not appear upon the roll of 1835 or 1851. Why was the said Beniah Williams not enrolled in 1835 or 1851 if living at that time? Who were the parents of said Beniah Williams, and where did they reside in 1835? When did the said Beniah Williams emigrate from the East to the West? Where did he first settle in the West? Please furnish us with all the information you may be able to obtain from your relatives as to the history of your Indian ancestors, starting with the parents of the said Beniah Williams, and tracing carefully down to yourself.

Your prompt reply will be appreciated.

Lawson, Missouri.

Madam:-

Replying to your letter of July 23, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, you are advised that the applications have not been taken up for final consideration as the Court in its order of April 29, 1907 has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 30,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If you have any minor children you should fill out the inclosed supplemental application blank and return to this office.

Very respectfully,

Special Commissioner.

Belinda C. Mellon being first duly sworn deposes and says:

I am 64 years of age. I claim my Indian blood through my father. My ~~xxx~~ mother is a white woman, my husband is a white man. My father claims his Indian blood through his father, Jonas Elliott, and Jonas Elliott claims his blood through his father, Arch Elliott, and Arch Elliott ~~claimed~~ to be on the roll of 1835. I have understood Arch Elliott is either one-eighth or one-fourth Cherokee Indian. My father died in 1876, and he was about 56 when he died. He was born in Jackson, Tenn., To the best of my information my father came

west to Mo. in 1833 with his parents. They first came to Lafayette Co., and lived there two or three years, then moved to Ray Co., and that was his residence up to the time of his death. The reason I know my father was out here in 1835, heard him talk about going to Florida in 1837 to fight the Indians, and he had been living here three or four years before he went to Florida. My grandmother on my father's side correct name is Elizabeth instead of Nancy. I never heard whether my father or his parents ever lived with the Indians as a member of the tribe or not, if they did I never heard anything about it. Arch Elliott is the only ~~xxx~~ close connection of mine that I ever heard of being on any roll. I am recognized as a white woman in the community where I live, and my father was recognized as a white man. It was not generally known we had Indian blood until we made application to the Dawes Commission in 1896. We never received anything by reason of our application in the Dawes Commission. My information is that Arch Elliott died back in Tenn. in, I think either, in White or Jackson Co., but I don't know just when it was that he died. My mauntr would know, but she is sick and can't be here. We all claim our Indian blood only through the Elliotts. My information that Arch Elliott was on the roll of 1835, is secured from J. T. Roberts, who claims to have a roll, or rather abstract of roll furnished him by J. S. Boatright, who was a authorized agent of Cherokee Indian Citizenship Association, and 'tis my understanding that Boatright got his copy of the roll from the original John Ross roll. Arch Elliott's name is on the copy which J. T. Roberts has.

Nancy Lockard,

Madam:-

Relative to your application #7234 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you base your claim by right of Indian blood through your mother, Elizabeth Elliott, nee Young, and by right of Archie Elliott, your grandfather, whom you state is on the roll of 1835. I cannot find the name of Archie Elliott on the roll of 1835. Where was said Archie Elliott residing in 1835? When did he move from the East to the West, and was he a full-blood Cherokee Indian? If not, who was your full-blood Cherokee Indian ancestor? Why was your mother, Elizabeth Young not enrolled in 1851, and, as you were born in 1822, why were you not enrolled? Please state the history of your family, starting with your full-blood Indian ancestor, and tracing down to yourself, and state why they were not enrolled.

Your prompt reply will be appreciated.

Respectfully,

Special Commissioner.

Special Commissomer of Court of Claims
of Eastern Cherokee Indians.Enrollment.
Washington, D.C.

Dear Sir:- In reply to yours of the 8th of January 1908, which I received recently in regards to my claim pending #7236 would say.

First Wm. Weatherford my great grand father as I understand seperated from his tribe during the interruption between the various Indian tribes some time about the year of 1812 or 1814 and taken as a prisdner of war to Tennessee, by Gen. Jackson ; there he lived an exile from his tribe, A.D. 1835 in Wayne Co. Tennessee. I know nothing of him ever going West.

Second Joe Weatherford my grandfather lived in the year 1835 and 1851 in Wayne Co. Tennessee.

My mother Jane Weatherford lived in 1851 in Wayne Co Tennessee, why she was not enrolled was, as I understand by reason of her father and grand-father disowning their allegiance to the tribe of Cherokees who where then profusely mingling with the white people throughout the State of Tennessee, further their ignorance and fear of punishment as they believed would be inflicted on them, if they did associate with the Cherokee Indians again, this I often heard mother speak of.

I was delayed in this answer owing to,,to get the dates ect. I had to obtain the old Family Bible, from my sister who now lives at a distant part of the state. Trusting this will give you the desired information, to the facts of which I make an affidavit as to my best knowledge and belief.

Yours very respectfully,

J. M. Lutts

Sir:-

Relative to your application #7236 for a share of the money appropriated for the Eastern Cherokee Indians, you claim through your mother who was a Cherokee, and whose name was Jane Lutts, nee Weatherford, who was the daughter of Joe Weatherford, and Joe Weatherford, as you state, was the son of William Weatherford, whom you have been informed was a chief of the Cherokee Indians. I cannot find the name of William Weatherford, your great grandfather, on the roll of 1835. Are you sure he was a Cherokee Indian, and not a Creek? Where did he reside in 1835? If in the West, when did he move from the East to the West? Where was your grandfather, Joe Weatherford, residing in 1835 and 1851? Where did your mother, Jane Weatherford, live in 1851, and why was she not enrolled? Please give us all the information you can regarding your Indian ancestors, stating why, if you know of any reason, they were not enrolled as Cherokee Indians in 1835 and 1851.

Your prompt reply will be appreciated.

Replying to your letter of September 12, 1907, you are advised that your application for participation in the Eastern Cherokee fund has not been reached for final consideration, and we cannot state at the present time whether or not you are entitled to share in this fund.

As there are over 45,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Madam:-

Replying to your letter of July 26, 1907, you are advised that the applications, for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, have not been taken up for final consideration, as the Court in its order of April 29, 1907 extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 31,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If you have any minor children you should fill out the inclosed application and return to this office.

Very respectfully,

HLC.

Dear Sir:-

Replying to your communication of Feb. 26th relative to Group #7253 Application #7785 beg to say that you will see by the enclosed that Tribe of Indians is Cherokee, benefits for Land and Monies.

I herewith enclose a certified copy of the filings, the witnesses appeared in person before the Dawes Commission (The witnesses were 3 full blood Cherokees) but as the claim was not allowed the evidence was not put on file, I do not know where to find these Indians at this time.

The Special Commissioner that I went before at Newkirk, Okla. asked to try and get a copy of the evidence.

If you think it necessary I will try and get affidavits of some Cherokees who knew Buck Sellers to be a Cherokee.

Please advise me further in this matter.

My name is Mary Jane Mathews; my post office is Foraker, Osage Co., Okla.; I was born near Pond Springs, Ga. in 1843; I claim relationship to the Cherokees through my mother, whose maiden name was Katie Hames who was a one-quarter Cherokee Indian; my mother claims through her mother, whose maiden name was Judy Sellars who was a half-blood Cherokee; and she claims through her father Buck Sellars who was nearly a full-blood; my mother was born in Georgia about 1818; my grandfather, Buck Sellars died in Georgia sometime before the war, about six years; my father moved with the family from Georgia to Arkansas, then moved from Arkansas to the Cherokee Nation; my people back in Georgia always lived with the Indians; the reason they did not come west with the Indians was because my grandfather was a white man and he would not let his wife, who was an Indian come with the other Indians; my son and two daughters were educated at the Indian School at Haskell, Kansas, they were also educated at the Indian school at Chilocco, Okla., they were accepted at these Indian schools as Cherokees. My great-grandfather, so my father has told me was related to "Bush-head" who was a noted Cherokee. The Indians often camped with our family, they were Cherokee Indians and recognized us as part Cherokee.

My grand father, James

Sir:-

Relative to your application #7257 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that your Indian blood is through your grandfather, James Morgan, will ask, where was the said James Morgan residing in 1835, and was he a full-blood Cherokee Indian, or what degree of blood relationship did he bear to a full-blood Cherokee Indian? Why was he not enrolled in 1835? Why was your father, Nathan R. Morgan, not enrolled in 1851, and why were you not enrolled in 1851, as you state you were born in 1842? Did your grandfather, James Morgan, move from the East to the West? If so, what was the date of such removal? Where was your father, Nathan R. Morgan, born? Please give all the information you can regarding your Indian ancestors, starting with your full-blood Indian ancestor, and tracing carefully down to yourself.

Your prompt reply will be appreciated.

Respectfully,

Special Commissioner.

Rec. AUG 23 1909
No.

IN THE UNITED STATES COURT IN THE INDIAN TERRITORY
NORTHERN DISTRICT AT MUSKOGEE.

Catherine Montgomery et. al.

vs

No 124.

Special Master's Report.

The Cherokee Nation.

I, N. A. Gibson, Special Master herein, show to the Court that under the order of reference herein I have examined the pleadings and proof herein which are herewith filed and made a part of this report, and that I find as follows:-

That this cause was instituted on Sept. 8th, 1896 at which time the claimants made application to the Commission to the Five Civilized Tribes for citizenship by blood in the Cherokee Nation; that the Commission on the 31st, day of October 1896 denied this application, giving no reason for the decision and from this decision the claimants appealed to this Court on December 31st, 1897.

That this application was made by Catherine Montgomery and her children, Sarah E. Gardener and her children, J. P. Montgomery and his children, Mary E., Ada J. and Alice R. Montgomery, Mattie C. Dunn and her children, Mary A. C., Myrtle C., Watie E. and E. S. E. Dunn, J. R. Montgomery and his children, G. C., E. W., O., J. W., and G. Montgomery, George Montgomery and his children, Walker R., J. A. Montgomery and his children, C. C., C. E., John H., George A., E. R., and Indianola, Isabel Williams, Mary M. Williams and her children, Joseph A., John Henry, Martha Alice, and Dallas Williams, William T. Williams and his child, Claud, James P. Williams and his children, Emma, Leola and Henry Williams, Malinda Brashears and her child, Douglas Brashears, Mollie J. Terry and her children, Dolly and James W., Moses Williams and his children, Alford G., Nancie, Oscar, Norman and Emma, Henry Shepherd and his children, Conly C., Charles W., H. C., and George M., Mary Ida A. Ballinger and her children, Ora Pearl and Ina Lee, Jeremiah Shepherd and his children, Gere Watts, Marion J., and Jerry Grove Shepherd, Mary P. Livingston and her child, Ida May Kincaid, all of whom are the children and grand children of Joseph Williams, who was the son of Peggy Williams, nee Chriddenden, who is said to have been a Cherokee by blood.

111

That the claimants filed in support of their application the affidavits of Catherine Montgomery, John Ross, Watt Christie, Malinda E. Wilson, and Jamima Skelton who testify that Peggy Crittenden lived in the state of Georgia and was a Cherokee Indian by blood, the witnesses Jamima Skelton and Malinda E. Wilson testify that Catherine Montgomery is the daughter of Joseph Williams and the grand daughter of Peggy Crittenden who lived near Rabun Court House in Georgia.

***17g**

The claimants contend that under the proof that they are descended from Peggy Crittenden who was a Cherokee Indian by blood they are entitled to be admitted to citizenship by blood in the Cherokee Nation, under the laws applicable to this cause; while the appellee contends that the claimants having ~~not~~ failed to show that the ancestor through whom they claim Indian blood or any other ancestor ~~through whom~~ has ever been enrolled as a member of the Cherokee Nation since the removal west to the present location, the claimants are barred from being admitted as citizens of the Cherokee Nation.

The premises considered, I find that the claimants have proved that they are of Cherokee Indian blood, and have shown that they are descended from Peggy Crittenden who was a Cherokee Indian by blood, but they have not ~~shown~~ shown that she was ever enrolled as a member of the Cherokee Nation.

I respectfully ask that the Court allow me a reasonable fee for my services herein as Special Master.

Respectfully submitted this ____ day of ____ 1897.

Madam:-

Relative to your application #7276 for a share of the money appropriated for the Eastern Cherokee Indians, you state that you claim by right of being a great, great granddaughter of John Thompson, who was a Cherokee Indian. Where did the said John Thompson reside in 1835? Please trace carefully from your great, great grandfather, John Thompson, to yourself, stating why the name of John Thompson does not appear upon the roll of 1835. You state further that your mother, Mary Tarbell, nee Musgrave, was enrolled some twenty-five years ago. What was she enrolled for; where; and under what name? Why were her parents, Anderson and William Musgrave, not enrolled in 1835? What do you mean by saying that you were "enrolled the land, but failed"? Please give us the history of your Indian ancestors, stating why they have not been enrolled?

Your prompt reply will be appreciated.

Respectfully,

Special Commissioner.

William T. Poindexter, et al.

APPLICANTS HEREIN CLAIM THROUGH ZEDOCK W. POINDEXTER
AND SARAH POINDEXTER NEE ANDERSON.

Zedock W. Poindexter was born in 1820 "on the line between Tennessee and Kentucky." He died in Dade Co., Mo. at the age of 39 years. He was never enrolled or received any money from the Government as a Cherokee Indian. Z. W. Poindexter's father was Archie Pledge Poindexter. "He was born and raised in North Carolina. He was a son of Bettie Pledge Poindexter of Yadkin County, N. C.". None of these parties have ever been enrolled with the Eastern Cherokees. Sarah Poindexter, nee Anderson, died in 1906 at the age of 87 years. ^{also stated in appl. # 26755 that she was born in Ky} She was born in N. C. and lived in Cumberland Co., Ky. It is claimed that she was enrolled with her family in 1835-6, but neither her name nor those of her family appear on that roll. She was not enrolled by the Dawes Commission. She was the daughter of ^(or Wm - see appl. # 26755) John Anderson and Nancy Anderson, nee Nancy Gentry, "a Cherokee and Creek mixed". She lived in Cumberland Co., Ky. in 1851. Nancy Anderson, nee Gentry "got her Creek blood through her father, Sam Gentry. Her mother was Sallie Melton, a Delaware Indian".

William A. Poindexter, the head of this group was 66 years old in 1908. She was born in the vicinity of St Louis, Mo., and claims to have lived in the I. T. or Oklahoma for 45 years. She was not enrolled in 1851, and was not enrolled by the Dawes Commission as Cherokee.

There is no evidence tending to show that claimants in this group are entitled to participate in this fund. If

they have been recognized as Eastern Cherokees from 1835 up to the present time, their names or the names of their ancestors should appear on some Eastern Cherokee rolls. They do not, however, so appear, and the claims of all applicants herein are rejected.

See misc. test. pages 28,29 and 2742. Also see report in Poindexter group.

Wm A. Poindexter.

Wm A. Poindexter further says that in the matter of his claim he wishes to offer herewith a certified copy of the will of Sarah Poindexter, which will straighten out some information as regards some names of parties given by me in my testimony ~~before~~ before Mr. Miller a few days ago at Mount Grove, Okla.

In regard to the claim of Mary O. Poindexter, my wife, she had been advised that when a marriage to a Cherokee of full or mixed blood had taken place prior to the year 1875, such wife or husband by virtue of this marriage, would be entitled to participate in the Cherokee fund, notwithstanding the fact that such wife or husband did not themselves have Cherokee blood. And she accordingly with this advice and understanding, and having been my lawful wife prior to the date of 1875, applied to participate in this fund.

Asst. to Special Commissioner
Court of Claims.

Wm A. Poindexter being first duly sworn deposes and says:

My name is Wm A. Poindexter, and I live at Sayre, Okla. I am 66 years old. I have lived in Tex. and Okla. since I was a boy. I was born in the vicinity of St. Louis, Mo. My parents were traveling from the old nation to the new settlements for the Indians, at the time I was born. They were settled in Mo. just for the year I was born. They came on west the next year. I claim my Indian descent through both my mother and father. My father was named Zedock W. Poindexter. He was a soldier in the Mexican war under Scott and Taylor. I myself served under Price in the Civil war, for 4 years. My father died in 1859. He died in Dade County Mo. My father went to Mo. in 1837 or 1838 I think, and settled in Dade County. He was 39 years old at the time of his death. I do not know whether he ever got any money from the Government, but I am pretty sure that he did not. There was no enrollment of the Cherokee Indians in Mo. in 1852, and that is why my father was not enrolled. Some of the kinfolks out of the nation used to come to see us in Mo., and I think they were my mother's relatives. They were the Leaches, and the Gentrys. Bettie Leach was my aunt. They were in the Indian Territory at that time under their Indian rights. There were no Indians living right around us in Mo. My father was born in 1820 right on the line between Tenn. and Ky. His father was Archie Pledge Poindexter. He was born and raised in N.C. He was a son of Bettie Pledge Poindexter of Wadkin County, N.C. I have heard of the Junalusky's through my uncle Archie Poindexter, but I do not know in what way they are related to the Poindexters. Archie Poindexter, my grandfather, died about 1836 or 1837, being drowned in the Cumberland river. I think he was an officer in the army under Jackson, in the war of 1812. He was an old man at the time of his death, and left a large family of children.

I also claim my Indian blood through my mother, Sarah Anderson. She died two years ago at the age 87, out here in Sayre, Okla. She was born on ~~Kittlingbury~~ in N.C. and lived in Cumberland Co. Ky. I offer herewith a sworn affidavit of John M. Jones, bearing on the Indian blood of my mother, which I desire to have filed in this case. She came west with my father as stated above. I have heard my mother say that she was enrolled with her mother's family in 1835 or 1836, and she had the number of it at the time of her death. I have seen this number myself on the Tahlequah books. My mother never has got any recognition out here in the Territory, because the Council only half passed on her case, the lower house failing to act. She was not on the laterolls, and the Dawes Commission refused to pass her name. We, my mother and I, lived near Winita, I. T. There were lots of Cherokees up there. We bought lands up there from the Indians, lease-hold rights. My mother had the Indian name of Sa-lee. I have heard of the Blairs and the Andersons old settlers out here before we came. I knew old Callie Anderson in the Cherokee Nation, who got her rights under the old settler roll. She got her land and money and I was there when she got it.

Wm A. Poindexter. (Continued.)

Old Sallie Anderson was the child of my great uncle. Coming down from old George Anderson a Cherokee Indian, who served under Washington. George Anderson was a brother to my great grandfather, John Anderson. My mother was the daughter of Nancy Andersen, who was Nancy Gentry a Cherokee and Creek mixed. I think Nancy Andersen was born in N.C. She died in 1864 at the old home place in Cumberland County, Ky. I never heard of her being enrolled in 1851. There were lots of Indians in Cumberland County, Ky. at that time. I have always been recognized as being of Indian descent in the community in which I live. I have been among the Indians out here 45 years. She, my grandmother, got her Creek blood through her father Sam Gentry. Her mother was Sallie Melton, a Delaware Indian. This is what my mother has told me.

Annie E. Pinkston,

Bells,

Texas.

Madam:-

Replying to your letter of September 5, 1907, you are again advised that it is impossible to state, at the present time, whether or not you are entitled to share in the Eastern Cherokee fund, as your application has not been reached for final determination.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

When your application is reached for final consideration you will be notified if there is any further information required in connection with the same.

Very respectfully,

Special Commissioner.

Annie E. Pinkston,

Bells,

Madam:-

Replying to your letter of July 1, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state just how much each successful claimant will receive.

As there are already over 28,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your claim you will be duly notified.

Sir:-

Replying to your letter of July 28, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, you are advised that the applications have not been taken up for final consideration as the Court in its order of April 29, 1907 has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them or to state how much each successful claimant will receive.

As there are already over 31,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If you have any minor children you should fill out the inclosed application blank and return to this office.

Very respectfully,

U.S. court of claims

Washington, D. C.

Respectable Sirs

My self and others of this
country are claimants to Participation
in the Fund arising from the
judgement of the court in favor
of the ^{Eastern} Cherokee Indians.

We Received notices from Quinn
Miller Special Commissioner

stating his passing on our claims
and also the order Entered by the
court of claims Giving Exceptions
in regard to our cases.

most of us can comply with the
Requirements of the court in
the case of Exceptions

and can Furnish the court With
 Reliable & credible affidavits of
 the Living of our Indian
 ancestors in 1835 and 1851,
 and for Information we should
 like to have to answer some
 Questions

We have Retained M. M. Edmiston
 of Miami Oklahoma and
 Chester Howe of Washington D. C.
 as our Attorneys With Power of attorney
 to Represent us in all courts
 and Proceed to Final Settlement

Question First :
 Has Edmiston and Howe or
 his Representatives ever Represented
 us in the courts or before the

in S. commission
 in same letters notice to us
 of his Recommendations to the court
 and the courts session in regard
 to Exceptions he does not make
 any mention of any fees due
 to us. Edmister states in
 notice to us there is a nominal
 fee of five dollars to be paid
 by each adult claimant
 all minor fees free. He
 says not exactly say so
 but intimates those fees are
 to go to the S. court.

Question 2.
 Does the court require a
 fee in our cases

4
many of us thinks there
may be some fault in the
matter this is the Reason I
take it on my self to write
you for information-

Hoping you will give this
your consideration and I
may hear from you at
your earliest convenience

I am yours Respect,
